The show will have an Environmental theme and will cost \$2 per student OR \$5 per family. This involves our whole school. Please have your payment to the office by the end of the week.

COUNTRY LIFE DAY

Week starting 30 August – You need to :

- Send in your grocery item for the raffle and any new items suitable for prizes in the quick fire raffles.
- We'd also appreciate any donations of produce the day before CLD. Let Bronwyn Sims (Rm 1) know if you can help as her room is coordinating this.
- Send in your wrapped bottle for the mystery bottle raffle. Get creative with the size and shape of the bottle!

- **Trophy winners from last year need to bring their cleaned trophy back to the office please.**

- Work on your family challenge entry.
- Your children need to be spending a lot of time with their animals/pets now. Keep supporting them with this. Diaries and posters should also be going well.
