

MAUKU SCHOOL

We Care. We Contribute. We Conquer.

13 November 2024

Welcome to our new student Ashlynn Hendrikz who started in TN1 on Monday.

Principal's Message

Kia ora koutou,

As we near the end of 2024, I want to remind you how important it is for children to be in school.

Mauku School shares our attendance information with the Ministry of Education, which helps support programs nationwide focused on attendance. Our results show a clear link between regular attendance and students doing well academically; when kids attend school consistently, they tend to make better progress.

We understand that illness and medical appointments can happen, but please do your best to make sure your children are at school everyday.

Mr Christie
