

MAUKU SCHOOL

We Care. We Contribute. We Conquer.

25 November 2021

We Care...

Thank you so much for helping us transition our children smoothly back to the face to face learning environment. We appreciate the way you have embraced the Level 3 expectations guided by the Ministry of Education, and Public Health orders.

The children have bounced in positively and we've all been impressed by their resilience and enthusiasm.

As the most recent information from the Ministry of Education tell us, things will continue as they currently are until the end of term. Therefore, classes will continue to stay in their bubbles, we will have 'in school' celebrations and send brief reports home.

STAFF NEWS

We welcome Georgina back to Room 1 on Monday. Thanks so much to Jenny Ross for relieving while she has been recovering.

Friday December 3 will be Maiya Grant's final day at school before her maternity leave. We all wish her, Adam, and big sister Evelyn well. Jenny will relieve in Te Ngahere 2 until the end of the year.

We welcome Shaun McMiken into a teaching role in 2022. He will cover Maiya's leave supported by Kayla Tribe. We look forward to having such experienced, enthusiastic new teachers on our team.

We will also farewell Cath Schofield, our Learning Support Co ordinator, at the end of this year. Cath is moving to Hawkes Bay. Their gain is definitely our loss!

CAN I HAVE ALL TROPHIES HANDED OUT AT LAST YEAR'S PRIZEGIVING BROUGHT BACK TO THE OFFICE PLEASE?

If you have a trophy, and your child is not currently at school, please contact me to arrange a return after school hours, or alternatively, you can leave them on the red table just inside the front school gate.

MORNING ROUTINE

When children arrive at school, while we're at level 3, they can go straight to their class bubble. We are limiting children moving around different areas.

Bus children have a morning bus bubble in Room 4. Please remind your children to stay in their family bubbles on the bus.

CLASS PHOTOS

Class photos will be taken next Tuesday 30 November. PhotoLife will not be taking family or individual photos this year, but are hopeful things will return to normal next year so they can be taken then.

2020 CLASSES

It's time for us to finalise class lists for next year. If you have a 4 year old at home, or have friends intending to enrol their children at Mauku, please let us know now.

BUS FAMILIES - There are still some families who have not paid their Term 3 bus fees. Please ensure this is done before the end of this term.

2021 COUNTRY LIFE DAY

FAMILY CHALLENGE - If anyone has managed to complete their CLD Family Challenge, please drop them into school by Friday 3 December for lucky prize draws.

ANIMALS - All children who raised a chicken, calf, lamb or goat for CLD, will be acknowledged for their efforts, albeit in Covid 2021 style! If you have photos or videos, please email them to the office and we'll make a Facebook post and noticeboard display.

The last day of term is Wednesday December 15 – 12.30pm finish.

The bus will be leaving shortly after that.

If you are collecting your children, please make sure you do so by 12.45pm
